General Board Business Practices

How many chapter or council board meetings did you hold in the fiscal year?	1
How many of your elected chapter or council officers and directors have served:	
0-4 years	4
5-9 years	3
10-14 years	4
15+ years	3

We have established strategies and goals for creating a culture such that one's identity (including race, gender, sexual orientation, ability, age, etc...) has no influence on how they fare within the chapter or council. ✓

We seek individuals from various backgrounds for board positions on our chapter/council in order to represent the demographics of our community at-large. ✓

Approximately how many members of your chapter or council board of directors identify as women?

2

Approximately how many members of your chapter or council board of directors identify as people of color?
